National Alliance for Partnerships in Equity
Education Foundation

NAPE

Action Planning Worksheet

1. What category(ies) did your school identify as priorities for equity improvement?

2. What new solution/strategy did you choose to create improvements?

3. What goals will you set as a target for your school's or program's results? Are their intermediate indicators of success?

4. What changes are planned for next year as your school continues to address the problem? Consider processes as well as programs.
