

# National Alliance for Partnerships in Equity Education Foundation

## Areas of Impact<sup>1</sup>: Micromessaging

In each area answer the following four questions:

1. Is this an area that you can affect change?
2. Is this an area that affects you?
3. What educational elements are considered the norm for this group?
4. What solutions, approaches, and actions could be considered to create equity and meet the needs of a pluralistic/diverse community?
