

Gettysburg Area School District

Program Title: Adams County Tech Prep

Goals/Objectives:

To develop CTE information to attract students to CTE
To improve NOCTI scores

Description:

- Work with HACC/Tech Prep consortium to develop DVDs for each career program
- Improve NOCTI scores each year to maximize the number of students scoring advanced and competent

Evaluation Tools & Procedures:

1. Guidance counselors reported activity of students at home schools. Web site hits for 2009-10 increased 30% over the previous year
2. NOCTI Data base

Results of Activity:

1. Completed development of 6 DVDs. (See at <http://www.gettysburg.k12.pa.us/webpages/jcramer/index.cfm?subpage=985711>)
2. 86% of test takers scored advanced or competent.
