Check out the **Pennsylvania Teacher Resource Center**

The Teacher Resource Center is a password-protected site to assist teachers with planning and managing the PDE Student Assessment System.

The Teacher Resource Center provides the ability to:

- ✓ Locate resources, such as Instructor Prep Packs
- ✓ View programs to which the teacher is linked
- ✓ Track test administration progress for each student
- ✓ Assign students to Study Guides
- ✓ Add accommodations, if needed
- ✓ Access reports

Access to the Teacher Resource Center is available from the Pennsylvania State Program webpage on nocti.org!

New for the 2018-19 school year, Digital Study Guides can be accessed directly through the Teacher Resource Center!
